Letter of Recommendation

Name: Shubhanshu manjare
Intern I'd: MT4160
Domain: Automobile and Electric Vehicles

To Whom It May Concern:

This letter is to recommend the candidate who has successfully completed an internship with Maincrafts Technology under our structured, industry-oriented program.

Throughout the internship tenure, the candidate demonstrated strong technical understanding, structured problem-solving ability, and the capability to translate theoretical knowledge into practical implementation. The intern actively contributed to assigned tasks and maintained a disciplined, results-driven approach toward project responsibilities.

The candidate showed professionalism in meeting deadlines, adapting to dynamic project requirements, and collaborating effectively within a team environment. The quality of work reflected analytical thinking, attention to detail, and a commitment to maintaining industry standards.

Based on our evaluation, we found the candidate to be sincere, dedicated, and professionally competent. The performance during the internship indicates strong readiness for corporate environments and further academic or professional growth.

We wish them continued success in all future endeavors.
